

PRIVACY POLICY

This Privacy Policy applies to the services offered by Aalta Australia ("Company").

1. Personal information

The Company is committed to safeguarding personal privacy. It recognises that individuals have a right to control how their personal information is collected and used. Providing personal information is an act of trust and it is taken seriously. Unless given consent to do otherwise, the Company will only collect and use personal information as set out below.

2. Collecting personal information

The Company will not collect or monitor any personal information about an individual without their consent. The only personal information collected is what has been provided voluntarily.

3. Use of tracking technologies

The Company uses tracking technologies such as cookies or web beacons to make use of the website and services as convenient as possible. Cookies are pieces of information that a website transfers to a computer's hard disk for record keeping purposes. Most web browsers are set to accept tracking technologies such as cookies or web beacons. These tracking technologies do not themselves personally identify users, although they do identify a user's browser.

4. Using and disclosing your personal information

Personal Information will be used for the following primary purpose:

- To fulfill obligations under any sale and purchase contract and/or any other contract between the individual and the Company
- To render services related to the Company's business such as warranty or after sales service

For the purpose described above, information may be shared with the Company's group companies either in Australia or overseas. Also, in order to operate the website or deliver a service, personal information may also be shared with a service provider, a non-Company group company.

5. Contact by the Company

The Company may contact individuals using the information, which was provided by them in order to:

- Provide information that may be of interest about upgrades, new Company products, special offers and other matters that may be of interest
- To send newsletters

6. Individual's right of access

Individuals have the right to review the information that may be recorded on the Company's database. Information may be reviewed by contacting the Company on the customer enquiry number 02 80654911.

9. The Company and links to other websites

The Company provides links to websites outside of the Company site. These linked sites are not under the control of the Company, and the Company is not responsible for the conduct of companies linked to the Company website, nor for the performance or otherwise of any content and/or software contained in such external websites.

10. Problems or queries

Queries relating to the Privacy Policy, or any problems or complaints may be directed to the Personal Information Officer by calling the customer enquiry number 02 8065 4911.
